

A Study Book for the NEBOSH National General Certificate 09-14: Essential Health & Safety Guide for Those with Management Responsibility in Health & Safety

This essential guide includes an abridged reference to legislation, which students have found particularly useful. Students on a course of study towards Tech IOSH will find this Essential Health and Safety Guide particularly useful in developing the knowledge requirements for an IOSH accredited qualification at this level. The 7th Edition has been revised to meet the current specification for the NEBOSH National General Certificate in Occupational Safety and Health. Students studying for this award will find the sample questions, answers and practical assessment report of particular use. The first unit of this study book also fulfils the study requirements for the Management of Health and Safety Unit (NGC1) of the unitised NEBOSH Fire Safety and Risk Management Certificate and National Certificate in Construction Health and Safety. RMS publishing offer a series of excellent reference publications, to enable students to develop the knowledge requirements necessary to achieve IOSH accredited awards leading to Graduate membership (Grad IOSH).
