

Bloody Colonials

Shameless Halloran, convict stablehand, has a problem. He knows of a murder but doesn't dare tell anyone. Who can he trust? Every figure of authority in this early Australian penal settlement is a potential suspect; all have dark pasts and ruthless ambitions. So the canny Irishman enlists the help of a young doctor, newly arrived, as a respectable front for his sleuthing. What follows is a tension-packed and hilarious romp as the odd couple lurch erratically towards an unlikely revelation. *Bloody Colonials* is a wickedly satirical piece of crime fiction set in a forbidding landscape where big fish battle to the death in a dangerously small pond.
