

How to Pray and Stay Awake

Such a short work, or even a much longer treatise, could not begin to discuss all the problems and questions on prayer, for prayer is as great and varied as life itself - being an expression of life. Such subjects here considered are offered to stimulate the reader to advance on his own. This book provides sign-posts to indicate that path that others before us have taken. This revised edition simplifies the instructions of my original work.

How to Pray and Stay Awake : Max B Skousen - Book Depository Prayer: the practice of staying awake. Theme for February.
