

## Low Jinks on the High Seas

After weeks of self-exile on Tortola, day-sail skipper Captain Brian returns to St. Judas, home to pirates, fairy dust, and little boys who never grow up. Girded for the final showdown with his wife, Billie, and the man who has been monopolizing her time, he finds a disgruntled heir, Spanish gangsters, and a dead tourist, whose murder the police in two countries are trying to pin on him. Trying to pin him down is a Lufthansa flight attendant, as aggressive as his adversaries. Betrayed by friends and spouse, his baker's dozen of foes, including an obeahman, torment and befuddle him. He gets little help in turning his life right side up except from Elroy, his Flamingo Bay irregular.
