

## Over There with the Australians

I also have the hope that the stories of personal experience will make real to you some of the men whose bodies have been for three years part of that human rampart that has kept your homes from desolation, and your daughters from violation, and that you will speed in sending them succor as though the barrier had broken and the bestial Hun were even now, with lust dominant, smashing at your own door. Notice: This Book is published by Historical Books Limited (www.publicdomain.org.uk) as a Public Domain Book, if you have any inquiries, requests or need any help you can just send an email to publications@publicdomain.org.uk This book is found as a public domain and free book based on various online catalogs, if you think there are any problems regard copyright issues please contact us immediately via DMCA@publicdomain.org.uk
