

John Wayne Cleaver hunts demons. They've killed his neighbors, his family, and the girl he loves, but in the end he's always won. Now he works for a secret government kill team, using his gift to hunt and kill as many monsters as he can...but the monsters have noticed, and the quiet game of cat and mouse is about to erupt into a full-scale supernatural war. John doesn't want the life he's stuck with. He doesn't want the FBI bossing him around, he doesn't want his only friend imprisoned in a mental ward, and he doesn't want to face the terrifying cannibal who calls himself the Hunter. John doesn't want to kill people. But as the song says, you can't always get what you want. John has learned that the hard way; his clothes have the stains to prove it. When John again faces evil, he'll know what he has to do.
