

While setting her sights on a new serial killer, Beverly Hills heiress and vigilante, Sapphire Dubois, fights to cancel the wedding of the season in the sequel to the best-selling New Adult Thriller *Stalking Sapphire*. As a new serial killer dubbed the Stripper Slayer plagues Los Angeles, Sapphire once again sheds her socialite persona, this time to go undercover as a penniless stripper. Struggling to find the brutal man before he slays again, Sapphire finds that the thin wall separating her double life is cracking. Her family and friends expect her to walk down the aisle with the most eligible bachelor among the Beverly Hills elite; a man she doesn't want. Meanwhile, the man she does want, handsome Detective Aston Ridder, is making her life hell as he closes in on the Serial Catchers trail. Sapphire scrambles to keep the chaos at bay, unaware that someone else is tracking her as well. A serial killer from her past is back and will stop at nothing to get his vengeance.
