

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Where You Once Belonged (Vintage Contemporaries), Amour Pour Amour: Comedie (French Edition), The Man Who Forgot: Three Classic Westerns, A Talent For Murder (Polly Pepper Mysteries), Secretum (French Edition), Sombras en la penumbra (Spanish Edition),
