

## The Bridled Groom

Planning their wedding at High Hope horse farm is trouble enough for teaching fellow Sarah Deane and her fiance Dr. Alex McKenzie. But now Sarahs widowed Aunt Julia, the farms crusty, independent owner, is receiving threatening nursery rhymes with her morning paper; a stablemans been mysteriously injured; and someones taking pot shots at the barn. Could the disturbing events have to do with a mining company thats out to lasso local land? Or with Tilly, a loopy neighbor who thinks its in her stars to swap farms with Julia? Or even Julias persistent suitor, Colonel Dodge, whos all too eager to saddle up and charge to her rescue? Though the wedding goes off without a hitch, Sarah and Alex are reined in from their honeymoon when the stable turns up a gruesome corpse...and it doesnt take more than horse sense to recognize foul play.
