

The Market Revolution: Shmoop US History Guide

Dive deep into the The Market Revolution anywhere you go: on a plane, on a mountain, in a canoe, under a tree. Or grab a flashlight and read Shmoop under the covers. Shmoops award-winning US History Guides are now available on your Kindle. Shmoop eBooks are like having a trusted, fun, chatty, expert history-tour-guide always by your side, no matter where you are (or how late it is at night). Shmoop US History Guides offer fresh analysis, timelines of important events, brief bios of key movers and shakers, jaw-dropping trivia, memorable quotes, a glossary of terms, and more. Best of all, Shmoops analysis aims to look at a topic from multiple points of view to give you the fullest understanding. After all, there is no history, only histories (Karl Popper). Experts and educators from top universities, including Stanford, UC Berkeley, and Harvard, have written guides designed to engage you and to get your brain bubbling. Shmoop is here to make you a better lover (of history) and to help you make connections to other historical moments, works of literature, current events, and pop culture. These learning guides will help you sink your teeth into the past. For more information, check out <http://www.shmoop.com/history>
