

GREAT SECRET Whoever Katy was, and whatever she might have done, nobody in Pleasant Valley knew anything about her except Kiddie Katydid and his numerous and noisy family. To be sure, many of the wild folk--and the people in the farmhouse, too--remembered hearing her name mentioned the year before. But they had quite forgotten about her, until August came and Kiddie Katydid and his relations brought her to their minds once more. Each night the Katydids rasping chant was repeated again and again: _Katy did, Katy did; she did, she did!_ But since in any crowd there are always a few that want to be different from the rest, now and then some member of Kiddies clan insisted that Katy didnt--somewhat in this fashion: _Katy did, Katy did; she did, she didnt!_
