

Those Who Trespass: A Novel of Television and Murder

From the mega-bestselling author of *The O'Reilly Factor*, *The No Spin Zone*, and *Whos Looking Out for You?*, a mystery thriller about the fast-paced and ruthless world of TV journalism. With three consecutive number one bestsellers, Bill O'Reilly has proved that he's the king of the nonfiction list. With *Those Who Trespass*, he extends his bestselling domain to fiction, giving readers a novel that's an exciting look into the no-holds-barred world of television news. One by one, high-level executives and correspondents are being murdered. Soon it becomes clear that the killings are linked, the work of a bitter former newsman exacting revenge on those who derailed his career. Tommy O'Malley, a tough but warmhearted New York City detective, is assigned to crack the widening, high-profile murder cases, but encounters competition from a beautiful and tenacious tabloid reporter, Ashley Van Buren. As the story unfolds, Tommy and Ashley quickly discover they've got much more in common than a knack for solving crimes. *Those Who Trespass* combines suspense, action, psychodrama, and romance with a fascinating glimpse into the harsh realities behind the delivery of our daily dose of television news--a picture only Bill O'Reilly could bring to life.
