

Gone Beyond Beyond: A Dharma Mystery

Rachel Kentworth is a reluctant aide to the police in the small mountain town of Crestone, Colorado. After two murders in this usually peaceful place she is contacted because of her unique capability to travel into the dimensions beyond death. In this netherworld, she is able to contact the deceased before they move on to their next reincarnation and find leads in the case. Unfortunately, what she discovers puts her own life in danger and makes solving these crimes all the more essential.
